No, I will talk to Darcy about it at my Friday meeting, but I don't think she needs to participate in the pre-brief or the briefing for OMB staff. If that changes after we talk I will let you know.

Thanks

Subject: RE: Hot Issue: U&O FIP OMB Request for Briefing

Debbie Jordan in OAR called me today to ask for a prep call between OAQPS, OAR, OP, and the Region prior to meeting with OMB to brief them on the draft U&O FIP. So, we will set up the EPA prep call for next week and then schedule the OMB briefing call for the following week (1/25).

Subject: Hot Issue: U&O FIP OMB Request for Briefing

Region 8 air program HAS BEEN REQUESTED to brief the office of management and budget (OMB) on the proposed reservation—specific rulemaking in the Uinta basin: Before Jan. 22, 2016, the Air Program has been requested by the Office of Policy to brief OMB on the draft proposed rulemaking to achieve VOC emission reductions at existing oil and gas sources located in Indian country on the Uintah & Ouray Reservation. The U&O Federal Implementation Plan was specified by the Region as a Tier 3 action and we submitted a justification for non-significance. However, OMB has discretion to review any action. In the event that OMB wants to review the draft proposed rule, we will send it to OMB after submitting it through the Office of Air and Radiation to the Office of Policy. *Information only; no action required by the RA/DRA.* **Contact: Carl Daly, 312-6416 or Deirdre Rothery, 312-6431**
